SUPPLEMENT TO REPORT NO.

All the Belgian offices of Czech firms have been liquidated and their directors recalled. The business handled by these offices has been turned over to competent Belgian firms or individuals without regard for political considerations. These firms or individuals deal directly with Czechoslovakia. In connection with clandestine export of goods to Czechoslovakia, we have been informed that certain firms established in Felgium have offered their servic s either directly to firms in Gzechoslovakia or to the Czech Commercial Attache in Prussels. Transactions ere arranged with commercial representatives coming directly from Czechoslovalia. These representatives are instructed to report on the economic and social situation in Belgium as well as on any other facet of the Belgian scene which may come to their attention.
